

THE FIRST UK BIOWIN USER GROUP MEETING

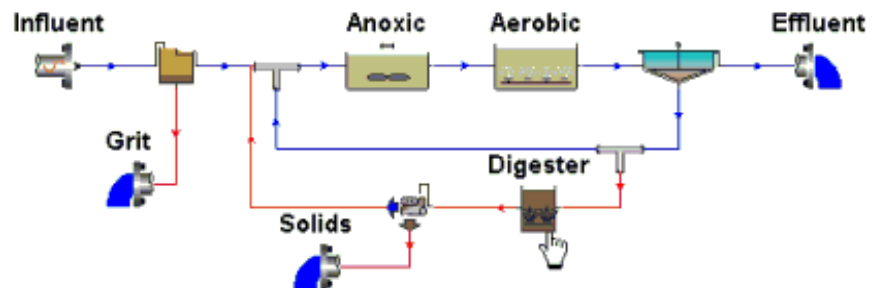

A 1-day user group meeting, by

on November 22nd, 2007

at Severn Trent's Visitor Centre in Cropston, Leicestershire, UK

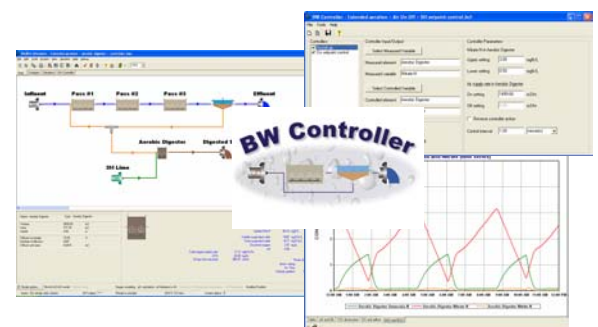

Version 3!!

This UK BioWin user group meeting is for both new and experienced BioWin users who are interested in learning more about the functionality and practical application of BioWin. Meet other BioWin users, and engage in discussions with them and EnviroSim's Drs Dold and Jones on general or specific modeling issues or simulation requirements. The user group is made up of news from EnviroSim, special training topics and user presentations. Attendance will be limited, to allow ample time for user interaction with the BioWin Team in question and answer sessions. A meeting program will be provided for each attendee.

Meeting outline:

- BioWin news and updates
 - Underdevelopment, Version 3.1
- EnviroSim Process R&D for ultra low nutrients
 - Developments from DCWASA Blue Plains facility
- BioWin Special Training Topic
 - Model Builder
 - BW Controller
- User presentations covering:
 - Process Commissioning
 - SBRs
 - BNR MBRs
 - Upgrading Options
 - Larger Plants
- Group Discussions

... providing modeling excellence

.... and much more
